SMU attracts students who are prepared to think for themselves and play an active part in their own education. They enjoy a highly progressive curriculum creatively delivered by a world-class faculty. And they gain the confidence, competence and courage to frame solutions for a dynamic business world where unpredictability and change are givens. Today we celebrate the graduation of 350 SMU students. They leave us as creative thinkers, skilful communicators, confident leaders and civic-minded citizens. They take with them the SMU Edge. They are primed to make a difference. Take a good look at these names - you are looking at the future of business.

Bachelor of Accountancy • Bachelor of Business Management • Bachelor of Science (Economics)  
Bachelor of Science (Information Systems Management) • Bachelor of Social Science
