ADOPT A DOMINO

Students from the Singapore Management University will set up 50,000 dominoes in a chain and get them toppled.

By getting members of the public to “adopt” dominoes at $2 each, they hope to raise funds for the Disabled People’s Association, EN Community Services Society and the Thong Kheng Welfare Services Society.

There will also be booths giving out information on these three beneficiaries and to continue the fund-raising.

When: Tomorrow, 9.30am
Where: Jurong West Sports and Recreation Centre
