A RISING ASIA NEEDS A NEW GENERATION OF LEADERS

A fast-rising Asia brings with it tremendous economic growth. It also poses the challenges of sustainability in an increasingly complex business environment that demands new knowledge, skills and expertise. It’s about competing for the future, about new ideas, innovation and relevance. It demands a new generation of leaders, entrepreneurs and professionals.

Singapore is a commercial and financial hub and is at the epicentre of a growing Asia. What better way to acquire such skill sets than to study at Singapore Management University, itself strategically located in the heart of the city. Our suite of Postgraduate Professional Programmes is tailored to suit the needs of students, industry and society in this ever-changing landscape.

DISCOVER THE JOY OF LEARNING WITH SMU’S INTERACTIVE PEDAGOGY

SMU’s renowned interactive, seminar style of learning sharpens your ‘hard’ critical analysis and problem-solving skills, while honing your ‘soft’ articulation, presentation and leadership skills. You will be mentored by an outstanding faculty and leading industry practitioners. This intellectually stimulating environment helps you discover the joy of learning, and the transformation to a ‘different’ you. 10,000 SMU graduates can vouch for that.

A WORLD-CLASS CITY CAMPUS IN THE HEART OF SINGAPORE

The campus is situated right in the heart of Singapore. From the Changi International Airport, the campus is a 20-minute taxi ride away. The well-planned SMU campus is punctuated with green spaces and beautiful water features in a quiet and serene environment. It is located in the central business district and the arts and heritage precincts. It has its own mass transit railway station and taking a ride to and from the world-renowned Changi Airport is a brief and pleasurable journey. This convenient location means that you are only minutes away from your office or home.

INNOVATIVE CURRICULUM, ACCELERATING SCHEDULES FOR THE FAST-TRACKER

Our courses are designed by top academics and industry captains to combine cutting-edge research and knowledge with best business practices. Our curriculum is planned to be practical, global and socially responsible. We customise our programme schedules for professionals to accelerate and maximise their knowledge with minimum disruption to their work. Full-time courses are typically spread over 12 months whilst some part-time courses can be completed in 12—18 months with classes conducted on weekday evenings and weekends. It is an arrangement our students prefer.

UNPARALLELED NETWORKING OPPORTUNITIES

SMU has built up an invaluable network comprising of two quality sources. Our student body from a diversity of professions, experience and nationalities; and our extensive business connections from different industries with many senior management serving on our school advisory boards. Such unparalleled networking opportunities provide critical insight into your future career choices.

CAREER GUIDANCE

A new and dedicated SMU Office of Career Services provides graduands with helpful guidance on employment opportunities.

A RISING ASIA NEEDS A NEW GENERATION OF LEADERS

A fast-rising Asia brings with it tremendous economic growth. It also poses the challenges of sustainability in an increasingly complex business environment that demands new knowledge, skills and expertise. It’s about competing for the future, about new ideas, innovation and relevance. It demands a new generation of leaders, entrepreneurs and professionals.

Singapore is a commercial and financial hub and is at the epicentre of a growing Asia. What better way to acquire such skill sets than to study at Singapore Management University, itself strategically located in the heart of the city. Our suite of Postgraduate Professional Programmes is tailored to suit the needs of students, industry and society in this ever-changing landscape.

DISCOVER THE JOY OF LEARNING WITH SMU’S INTERACTIVE PEDAGOGY

SMU’s renowned interactive, seminar style of learning sharpens your ‘hard’ critical analysis and problem-solving skills, while honing your ‘soft’ articulation, presentation and leadership skills. You will be mentored by an outstanding faculty and leading industry practitioners. This intellectually stimulating environment helps you discover the joy of learning, and the transformation to a ‘different’ you. 10,000 SMU graduates can vouch for that.

A WORLD-CLASS CITY CAMPUS IN THE HEART OF SINGAPORE

The campus is situated right inside the central business district and the arts and heritage precincts. Its award-winning architecture and state-of-the-art technology evoke a sense of vibrancy: a city campus in a campus city. It has its own mass transit railway station and taking a ride to and from the world-renowned Changi Airport is a brief and pleasurable journey. This convenient location means that you are only minutes away from your office or home.

INNOVATIVE CURRICULUM, ACCELERATING SCHEDULES FOR THE FAST-TRACKER

Our courses are designed by top academics and industry captains to combine cutting-edge research and knowledge with best business practices. Our curriculum is planned to be practical, global and socially responsible. We customise our programme schedules for professionals to accelerate and maximise their knowledge with minimum disruption to their work. Full-time courses are typically spread over 12 months whilst some part-time courses can be completed in 12—18 months with classes conducted on weekday evenings and weekends. It is an arrangement our students prefer.

UNPARALLELED NETWORKING OPPORTUNITIES

SMU has built up an invaluable network comprising of two quality sources. Our student body from a diversity of professions, experience and nationalities; and our extensive business connections from different industries with many senior management serving on our school advisory board. Such unparalleled networking opportunities provide critical insight into your future career choices.

CAREER GUIDANCE

A new and dedicated SMU Office of Career Services provides graduands with helpful guidance on employment opportunities.
